

[illegible]

The map shows a large area outlined in red, with a dashed black line and several blue circles. A purple line with arrows indicates a path. The map includes various geographical features like rivers, roads, and buildings.

**Goshawk 2020**

The map displays the study area for the Goshawk 2020 project. A red outline defines the overall study area, which includes the Nant-y-Moel area. A dashed black line indicates a specific boundary within the study area. Several blue circles are placed on the map, likely representing specific locations of interest. The map also shows roads, rivers, and various geographical features.
